MEMORANDUM FOR: Chairman, Interagency Intelligence Committee on Terrorism

FROM: Director of Central Intelligence

25X1

1. Thanks for your response to my request for concise information about what the committee is doing, how well it is doing, and how it might do better. I'd be interested in taking a look at the standard procedure developed for assessing terrorist threats

2. The priority attached to terrorism must now be increased. Tell me who attends the meetings of the committee and suggest what I can do to see that they are taken more seriously and get a higher level of participation.

A handwritten signature in black ink, appearing to be "WJ Casey".
